Chairs Opening Remarks
Regional Skills Needs Ruth Devine, Chair The Employment and Skills Partnership (TESP) will provide insights and data from the Pye & Tait LMI report published earlier this year setting the scene
Apprenticeships – a Training providers perspective Chris Claydon, CEO JTL Training who will present some insights into the complex funding landscape, challenging targets and requirements around retention, completion and success to deliver government funded training. He will also cover most effective way employers and training providers can work together.
Break – Networking & Refreshments
Sustainable Skills- Chris Oldham, Senior programme and Policy Manager City of London – Skills for a Sustainable Skyline Task Force will speak about the project and the challenges of bringing in apprentices, upskilling and re skilling to meet the needs of an aging workforce and skills shortages.
Members Showcase – Sam Walker plus an Apprentice, Darke & Taylor Presentation on the experience of an employer recruiting, training, retaining and employing an Apprentice. Sam will “interview” two Darke & Taylor Apprentices about their real-life experiences as an apprentice.
All Speakers participate in a panel Session led by the Chair.
Chairs closing remarks.
